

# 2025/2026 SCHOOL SUPPLY LIST

As the year progresses I may ask for help in restocking some items

- Large backpack (Large enough to fit a full-sized folder)
- Box/Bag of Snacks - Enough for 13 kids (11 kids for 2 day) Does not have to be individually wrapped, it can be one big box and I will distribute.

**\*\*PLEASE LABEL WITH CLASS (5, 3, or 2 Day) Snack is community share.** I take all the snacks and choose one a day and hand that out to the whole class so everyone is having the same snack. You do **not** need to label each snack individually, just the outside of the box with the class (5 day, 3 day or 2 day). You can also send in large boxes that do not have individual wrapped snack such as a large box of animal crackers, cheezits. or goldfish. If your child has a food allergy, please talk to me about the options.

- 1 Bottle of juice – please DO NOT send individual juice boxes such as Capri sun and you do **not** need to label with class.
- 1 wide ruled, single subject **spiral** notebook **\*\*labeled with child's name & class on front**
- 4 pack of playdough (4 oz tubs)
- 1 photo of family and 1 photo of child labeled with name on the back (Both photos will stay at school the entire year).
- A change of clothes to be left in their backpacks, in a baggie labeled with their name
- Registration, Immunization forms, copy of birth certificate record.
- Non-tying shoes (unless your child can tie) If you have already purchased shoes with ties, I please ask that the laces are ones that can stay tied.

<u>5 Day</u>	<u>3 Day</u>	<u>2 Day</u>
1 container disinfectant Lysol wipes	2 boxes of Kleenex	1 box of quart size baggies 1 box of gallon size baggies
