

MEET The Teacher

THE BASICS

I have been married for 22 years to my amazing husband Kyle. We have two wonderful boys, Caden (17) and Cammen (14) who both attend Moorhead Public Schools.

We keep enjoy keeping busy with their sports...football, hockey, baseball and golf.

In the summer we LOVE to go camping, enjoy lake time and travel! I also do photography on the side in the summer months and enjoy taking senior and family pictures. Kimberly Larson Photography can be found on Facebook if you want to see my work!

PAST & EDUCATION

I grew up in Dickinson, ND and graduated from Trinity High School in 1998. After high school I came to Fargo to attend NDSU and transferred to MSUM where I graduated with a Bachelor's degree in Education with a pre-primary/early childhood emphasis.

Before opening my preschool in 2007, I taught in other centers in the area. After graduating, I was a substitute teacher in the public schools. I missed having those one on one connections as the main teacher, so I took the leap and opened my own school.

I opened Brighter Beginnings Preschool in 2007 and have been here ever since! It was the best decision I ever made!!
