<p>For our Valentine Party ~ <u>You can decorate a box at home</u> if you would like just make sure to leave a big opening for treats such as ring pops. If you do not want to decorate one at home, I will provide students with a bag at school. On the party day kids can bring valentine cards/candy and I ask that you just write their own name so their classmates know who its from. Please DO NOT address it to each individual classmate. This becomes to hard since they can't read names yet. They will just walk around the room and drop their card/treat into each friends bag/box.</p>
