

MEET The Teacher

THE BASICS

I have been married for 21 years to my husband Kyle. We have two amazing boys, Caden (16) and Cammen (13) who both attend Moorhead Public Schools. We keep busy with their sports...football, hockey, baseball and golf. In the summer we LOVE to go camping, laketime and traveling! I also do photography on the side in the summer months and enjoy taking senior pictures.

PAST & EDUCATION

I grew up in Dickinson, ND and graduated from Trinity High School in 1998. After high school I came to Fargo to attend NDSU and transferred to MSUM where I graduated with a Bachelor's degree in Education with a pre-primary/early childhood emphasis.

Before opening my preschool in 2007, I worked in preschools and daycare's in the area. After graduating, I subbed in the FM area in the public schools, but I missed having those one on one connections as the main teacher so I took the leap and opened my own school. I opened Brighter Beginnings Preschool in 2007 and have been here ever since! It was the best decision I ever made!!
